2024-2025 Non-School Day Camp Resources

Non-School Day LineLeader Communication Templates – use this email series to market non-school day programs to existing RAS customers via the LineLeader announcements feature. We've included:

- Registration Is Open email (send as soon as registration becomes available)
- Registration Reminder email (send ~1 week before the program starts)
- **Last Chance email (send 1-2 days before the program starts).**

Non-School Day School/District Leader Communication Templates – share these templates with your school principals or district admins. and ask them to market RAS Non-School Days on your behalf (this doc includes a full email, a newsletter blurb, an SMS text, and a social media post). **Remember, it's best to follow up on this ask by dropping by the school or district office with a box of donuts or a favorite local treat!**

Non-School Day Flyer Templates in Canva – editable flyers for various non-school day programs. Attach these to your LineLeader communications and share them with your school/district leaders to share with families.

Winter Break Camp Marketing Roles

Central Office

- Manage national winter break email campaign
- Update winter break camp website
- Create winter break camp flyers for each district
- Build LineLeader and principal communications templates

AMs

- Use templates to message parents through LineLeader

- Confirm flyers are accurate and up-to-date, distribute to families digitally with LineLeader communications
 - Request that schools/districts send communications on our behalf
 - Order and place yard signs at each school
 - Use Canva template to create and send winter break camp newsletters
-
