Removing Signature Option

If you see a Signature Option is populating instead of the usual Check In Screen, please take the following steps to disable this setting.

Go to Toolbox

The screenshot shows the Jumbula application interface. On the left is a sidebar with navigation links: Home, Reports, Campaigns, People, Staff, Invoicing, Reports, Settings, Toolbox (highlighted with a red line), and Support. The main content area is titled 'Cashflow' and contains a search bar at the top with a dropdown menu set to 'Name'. Below the search bar is a table with the following columns: Participant, Program, Schedule, Tuition label, Date, Confirmation, and Actions. The table lists several participants, including Gaelle Ulysse and Gracien Ulysse, with their respective programs, schedules, and confirmation codes. Below the table is a form for transaction settings, including fields for 'Transaction start date', 'Transaction end date', 'Start time', 'End time', and 'Time zone' (with radio buttons for UTC and EST). At the bottom right of the form are buttons for 'Show details', 'Search', and 'Clear'.

Check In/Check Out

The screenshot shows the Jumbula application interface with the 'Toolbox' settings page open. The left sidebar is visible, showing the 'Toolbox' link highlighted with a red line. The main content area is a solid blue color, indicating that the 'Check-in/Check-out' option is selected.

Settings, then uncheck the 'Enable Signature' option before hitting Save.
