Right At School Staff: Need to Report a Concern?

At RAS, we strive to uphold the **highest safety standards** in every program we operate and every relationship we keep with staff, families, partners, and vendors. We established the **Good Catch Program Hotline** to hold ourselves accountable to those standards.

If you feel the need to report a concern, please use the link below or the QR code.

It's our sincere hope that this service empowers anyone connected with Right At School to feel safe bringing their concerns forward.
