

What should I do if my check is lost or damaged?

If your check is lost or damaged please reach out to your Area Manager to notify them of the issue. If you don't hear back from your Area Manager and/or need additional assistance, you may submit your concern to Payroll via the Ask Here feature in Paycom. Instructions on how to submit an Ask Here request are attached in the side bar of this page.

When submitting an Ask Here request please be sure to include the check date that you are missing as well as any other relevant information.

The reissue will take three business days to process plus mailing time.
