How do I request a change to my credit card limit?

Requests for increases to an existing credit card limit can be done directly in the Ramp app, or desktop site. Please follow the below instructions to request an increase:

https://support.ramp.com/hc/en-us/articles/360054574174-Requesting-a-change-to-or-editing-a-card-limit-

Please note: The accounting or payroll team are no longer able to make these changes. They will need to be requested and approved by your manager in the Ramp site.
